Ethiopia Illustrated : Church Paintings, Maps and Drawings : An Anthology
/ Dorothea Mcewan
Addis Ababa : Ethiopian Academy Press, 2021
Xii, 252p.
9789994469123
\$ 75.00 / PB
600gm.

The book is an anthology of seven articles grouped in two parts—the first analyzing sacred paintings produced by Ethiopian artists, and the second discussing the life and works of botanist Georg Wilhelm Schimper's draughtsman Eduard Zander. Each chapter is richly illustrated, presenting paintings alongside commentaries on their religious, social, and historical contexts.
