THE BOOK OF FIVE RINGS AND OTHER WORKS : THE COMPLETE MUSASHI : The Definitive /
Miyamoto Musashi

Tokyo : Tuttle Publishing , 2018

223p; 20cm

9784805314760

14.99

Miyamoto Musashi (1584–1645) is the most famous Samurai who ever lived. His magnum opus, the *Go-Rin-Sho* or *Book of Five Rings* is a classic that is still read by tens of thousands of people each year—Japanese and foreigners alike.

Alex Bennett's groundbreaking new translation of *The Book of Five Rings* reveals the true meaning of this text for the first time. Like Sun Tzu's *The Art of War*, Musashi's book offers unique insights, not just for warriors, but for anyone wanting to apply the Zen Buddhist principle of awareness to achieve success in their endeavors. This book sheds new light on Japanese history and on the philosophical meaning of Bushido—the ancient "code of the Japanese warrior."

Unlike other translations that are based on incomplete and inaccurate versions of Musashi's work, Bennett's is the first to be based on a careful reconstruction of the long-lost original manuscript. Capturing the subtle nuances of the original Japanese classic, the result is a far more accurate and meaningful English version of *The Book of Five Rings* text.

Richly annotated and with an extensive introduction to Musashi's life, this version includes a collection of his other writings—translated into English for the first time. A respected scholar, as well as a skilled martial artist, Bennett's understanding of Musashi's life and work is unparalleled. This book will be widely read by students of Japanese culture, history, military strategy, and martial arts. It sets a new standard against which all other translations will be measured.

One of the most important poets of contemporary Japan, Makoto Ōoka's works continue to resonate powerfully among readers today. He speaks to the spirit, not of Japan and the Japanese, but of humanity, and of the world we are a part of. This new edition brings together some of his best work in English translation by Janine Beichman, who worked with Ōoka for many years. Also included are the original Japanese poems, the author's own calligraphy and drafts, and selected photographs from his personal life...

a book to be savored for a depth and beauty that surpasses any single cultural identity.
