Coming to Terms with Forced Migration: Post-Displacement Restitution of Citizenship Rights in Turkey/Dilek Kurban
Istanbul: Tesev Publications,2007
vi., 370p.;23cm.
\$ 50.00

With this book, TESEV proposes to re-conceptualize internal displacement as an issue of societal responsibility. Turkish society, which has not condemned but for decades has overlooked this discriminatory approach, interpreting the armed conflict as a threat to its comfort rather than trying to understand the issue, bears a large responsibility for what has happened.
