The Sounds of Silence – VII : Kinali Island's Armenian Speak / (Compiled) Narod  
Avci & Rudi Sayat Pulatyan (Ed) Ludmilla Buyum  
Istanbul: HDV Publications, 2021  
208p.  
9786057039934  
\$ 25.00 / PB  
254gm.

For over a century, Kinaliada has been a much favored recreation area for the Armenian community in Turkey. The settlement of Armenians on the island dates back to the first quarter of the 19th century, with the history of the first religious and educational institutions dating back to the middle of the same century. On the island, where for many years the majority of the population was composed of Armenians and Greeks, a serious demographic change was experienced through the expulsion of Greek citizens from the country in 1964; population growth accelerated after the construction of new buildings on the abandoned properties of the former Greek inhabitants of the island in the 1970s. This book, like the other books in the Sounds of Silence' series, was prepared with the aim of making visible and heard the stories Armenians in Turkey and abroad,

whose roots are in the various regions of Turkey's geography. Within the scope of this study, oral history interviews were conducted in Kinalada, one of the rare settlements where Western Armenian culture and language are still kept alive in the public sphere, shedding light on the culture's past and showing the importance of the island for the Armenian community, and the transformation it has undergone in the last fifty years.

The Attempted Pogrom Against Turkish Jews of Thrace, June-July 1934 / Rifat N. Bali

Libra Kitap: 486 – History: 417

Istanbul: Libra Kitapcilik ve Yayıncılık Ticaret A.S., 2021  
164p.

Includes Index ; Bibliography

9786257900881

\$ 40.00 / PB

170gm.

In the 1930's various cities of Eastern Thrace in Turkey, such as Edirne, Kırklareli, Çanakkale, were cities where important Jewish Communities lived and thrived in businesses. In late June and early July 1934, during ten days, these peaceful Jewish settlements were suddenly attacked, houses and businesses were pillaged.

This book gives a short analysis of this quasi pogrom together with first hand testimonies of eyewitnesses, Jewish Telegraphic Agency's news and reports from the American Ambassador of Istanbul.

The Ottoman Tribal School : Surveillance and Students' Lives / Tutku Akin

Libra Kitap: 495 – History: 426

Istanbul: Libra Kitapcilik ve Yayıncılık Ticaret A.S., 2021  
148p.

Includes Index ; Bibliography

9786257900980

\$ 40.00 / PB

162gm.

This book investigates the surveillance and the students' lives in the Ottoman Tribal School. It shows how Abdulhamid II and his governors established mechanisms for the control of the students. The work focuses on which strategies and tools were used by the sultan and his governors to supervise the sons of tribes in the school. This book also narrates the students' lives in the school. It takes into consideration the students' experiences problems and their reactions against the school administration. Most of the primary sources used in this work are documents of the Ottoman Archives.

The Anti-Greek Riots of September 6-7, 1955 : Documents from the World Council of Churches / (Ed) Rifat N. Bali

Libra Kitap: 498 – History: 429

Istanbul: Libra Kitapcilik ve Yayıncılık Ticaret A.S., 2021  
96p.

\$ 32.00 / PB

106gm.

This book is a compilation of the official records of the World Council of Churches (Geneva) following the anti-Greek riots of September 6-7, 1955 which during two days destroyed churches, shops and cemeteries belonging to the Greek Orthodox community of Istanbul, assaulted priests, women and children. The documents portrays in great details the incredible destruction which literally put an end to the Greek community of Istanbul. The documents includes two reports made by the WCC officials a short time after the riots and gives a detailed summary of the destruction and plunder.

9789750272356

1. Turkish Criminal Law.
2. Criminal Procedure Law.
3. Penal Code.
4. Criminal Code.
5. Comparative Law.

\$ 65.00 / PB

630gm.

This work is a result of the need for having the current translated versions of the Criminal Code of Turkey, Criminal Procedure Code and Law on the Execution of Sentences and Security Measures, all of which are the most referenced instruments in the legal platforms where our Country is represented in the international arena and which have been amended various times since their entry into force.

Containing the current English translations of the aforementioned instruments which are the backbone of our criminal law and which can be characterized as "The Basic Legal Documents of Turkish Criminal Law", this book is available to all practitioners and those interested in the subject.

Intellectual Property Rights of Gamers in Esports = Esporda Oyuncularun Fikri Mulkiyet Haklari / Assoc. Prof. Dr. Armagan Ebru Bozkurt-Yuksel

Istanbul: Aristo Yayınevi, 2021

102p.

9786257067911

\$ 45.00 / PB

144gm.

Esports has become more and more popular with increasing number of players and spectators such growth has brought with it problems related to various legal issues. Esports includes issues related to different branches of law such as unfair competition law, labour law, contract law, criminal law and sports law. Although there are many legal problems that may come up within esports activities, probably

the biggest of these issues are related to intellectual property law. Game developers, players, competition organizers, and broadcasters of the games, all of these actors in esports ecosystem in short might have various intellectual property rights. The game itself is the subject of copyright as well. However this study is about the intellectual property rights of the players in esports. There are various intellectual property rights of players in both amateur and professional sports activities. The intellectual property rights of the players which might be on their names, images, movements, dances, tattoos, performances, broadcasts, overlays, avatars, costumes used by the players in the game, their improvements on the game equipment, and the improvements in the program code were examined in this study. In addition, in the last part, an evaluation has been made about esports from a futuristic perspective.

## **Politics**

Turkey's Middle East Policy / Hanefi Yazici (Foreword) Tayyar Ari

Istanbul: Ideal Kultur Yayincilik, 2021

254p.

Includes Bibliography

9786257059626

\$ 55.00 / PB

276gm.

Since the beginning of the Arab Spring, whether or not the "Turkish Model" will be the best democratic model for the countries in the Middle East has become one of the crucial discussion issues. However, it has caused misperceptions because of the misinterpretation of the model. The study claims that the full application of the "Turkish Model" to the Middle Eastern countries is not possible due to cultural and political differences; however, despite these differences, the "Turkish Model" is a good alternative for several areas such as the state-religion relations, economic development and advanced democracy.

This book focuses on the global and regional effects of the Arab Spring in Egypt and particularly in Syria examining both advantages and disadvantages of the Arab Spring for Turkey's Middle East Policy. This book, thus, is an intellectual effort to comprehend Turkish foreign policy in the Middle East in recent times. The events in the Middle East are moving so quickly as usual. It is also quite difficult thinking about a focus that would not be different in a few months in the region. I hope that this book will serve as guide in understanding Turkey's foreign policy in the Middle East during the Arab Spring.

## **Travel Guidebooks**

Saffet Emre Tonguc = Boutique Hotels : Turkey / (Eds) Zeynep Sahin Tutuk & Duygun Soysal (Translator) Ozlem Lal Tuzman  
Istanbul: Alfa Basim Yayim Dagitim San. Ve Tic. Ltd. Sti., 2021  
224p.  
9786254493522  
\$ 45.00 / PB  
428gm.

In this book, we embarked upon the creation of an unbiased, reliable, and sophisticated travel guide. In an age of easy access to information, context may be elusive and discernment may require effort. Consequently, we scoured Turkey for examples of exclusive destinations and experiences, richly informed by the past yet vibrantly accessible in the present.

We gained new perspectives from everyone encountered and each hotel visited. To produce such a comprehensive book replete with stunning and unconventional photographs requires considerable effort which we hope our discerning readers may appreciate.

Not just a hotel guide, this book contains reflections of extensive experiences included intentionally to expand the reader's horizons on a variety of topics. As you turn each page, prepare to enjoy beautiful scenery and a journey encompassing past and present - from Istanbul to Izmir, Cappadocia to Mardin, and Eceabat to Konya - all held within your hands.

As you read on, consider remaining open to new experiences, as both books and travel hold the greatest potential to appreciate life from a fresh perspective...

Because "to travel is to live!"
