Symbols or images always have to lead the culture and thought of the times, in a narrow sense, church theology and the sangsaeng (living together) between them has to be attained. In this thesis I have argued for the possibility of theologizing visual language, and laid do in the first steps of a mission theology of visual images.

Bohol has become nationally famous for its many well-preserved Spanish period churches. Add now another reason for visiting the island: its vintage houses from the nineteenth and early twentieth centuries. These houses share the same gracious features that other Philipino houses of those periods also have.
