ISBN-13: 9786115510375
\$ 18.00
<http://www.marymartin.com/web/product?pid=115062>

In Two Worlds: Thai-American Trajectory is an autoethnography, a hybrid of culture writing and life writing. It places the life of a Thai transnational within the social contexts of the two worlds, the East and the West, Thailand and America. Through the ethnographic wide-angle lense, she looks outward to the social and cultural aspects of her personal experiences, then inward as she has moved through and has been affected by these experiences.
